

# Uxbridge Entrance Polycarbonate Clad

The Uxbridge polycarbonate entrance canopy is our most popular off the shelf design of polycarbonate entrance canopy. The Uxbridge is supported from 2 or more columns and is either entirely freestanding or also supported from the rear wall depending on column position. As standard the roof is clad in solid sheet polycarbonate.

**Warranties**

Framework - 25 years  
Polycarbonate Cladding - 10 years against discolouration through sunlight

**Sizes**

The maximum width for the Uxbridge is around 5m but each canopy as fabricated to suit the clients requirements.
